Old Yeller Fred Gipson 2009-08-18 A timeless American classic and one of the most beloved children's books ever written, Old Yeller is a Newbery Honor Book that explores the poignant and unforgettable bond between a boy and the stray

dog who becomes his loyal friend. When his father sets out on a cattle drive toward Kansas for the summer, fourteen-year-old Travis Coates is left to take care of his family and their farm. Living in Texas Hill Country during the 1860s, Travis comes to face new, unanticipated, and often perilous responsibilities in the frontier wilderness. A particular nuisance is a stray yellow dog that shows up one day and steals food from the family. But the big canine who Travis calls "Old Yeller" proves his worth by defending the family from danger. And Travis ultimately finds help and comfort in the courage and unwavering love of the dog who comes to be his very best friend. Fred Gipson's novel is an eloquently simple story that is both exciting and deeply moving. It stands alongside works like *The Adventures of Huckleberry Finn*, *Where The Red Fern Grows*, and *Shiloh* as a beloved and enduring classic of literature. Originally published in 1956 to instant acclaim, *Old Yeller* later inspired a hit film from Walt Disney. Just as *Old Yeller* inevitably makes his way into the Coates family's hearts, this book will find its own special place in readers' hearts.

The Wisdom of Crowds James Surowiecki 2005-08-16 In this fascinating book, New Yorker business columnist James Surowiecki explores a deceptively simple idea: Large groups of people are smarter than an elite few, no matter how brilliant—better at solving problems, fostering innovation, coming to wise decisions, even predicting the future. With boundless erudition and in delightfully clear prose, Surowiecki ranges across fields as diverse as popular culture, psychology, ant biology, behavioral economics, artificial intelligence, military history, and politics to show how this simple idea offers important lessons for how we live our lives, select our leaders, run our companies, and think about our world.

Lunch Money Andrew Clements 2012-04-17 Meet Greg Kenton, billionaire in the making. Greg Kenton has two obsessions -- making money and his long-standing competition with his annoying neighbor, Maura Shaw. So when Greg discovers that Maura is cutting into his booming Chunky Comics business with her own original illustrated minibooks, he's ready to declare war. The problem is, Greg has to admit that Maura's books are good, and soon the longtime enemies become unlikely business partners. But their budding partnership is threatened when the principal bans the sale of their comics in school. Suddenly, the two former rivals find themselves united against an adversary tougher than they ever were to each other. Will their enterprise -- and their friendship -- prevail?

Wayside School is Falling Down Louis Sachar 2010-11-01 'Watch closely,' said Mrs Jewls. 'You can learn much faster using a computer instead of paper and pencil.' Then she pushed the computer out of the window. The children all watched it fall thirty floors. 'See?' said Mrs Jewls. 'That's gravity . . .' That's the way things happen at Wayside School. There are twenty-nine kids in Mrs Jewls' class and this book is about all of them: there is Todd, who is in trouble every day, until he gets a magic dog; Paul, whose life is saved by Leslie's pigtails; Ron, who dares to try the cafeteria's mushroom surprise; and all the others who help turn a day at Wayside School into one madcap adventure after another.
